Gentleman:

I would like to take this opportunity to thank you for the outstanding effort that was put forth by yourself and all those who participated in the project on your behalf. Your field personnel were consistent, maintained the highest standards of workmanship and always performed in a professional manner. Dryden's part in the overall scope of the project was significant and as expected was coordinated and expedited professionally. The efforts put forth by all those concerned helped to make this a successful project for all.

You will be considered for future projects where your expertise may be needed. Again we thank you for your positive response and look forward to future endeavors.

Very truly yours,

John F. Salpas
Project Manager
